

SEPTEMBER 21-22 2017 IMPLEMENTING RESTORATIVE PRACTICES IN KANSAS SCHOOLS

Blending theory, strategy, and best practice from successful restorative practice programs, this course will give teachers, counselors, and administrators the foundational skills for introducing restorative practices into their school. In this highly interactive training, you will learn:

- ◆ **Specific steps/tips** for getting restorative practices started in *your* class or school;
- ◆ **Basic components** of a circle process to be used at MTSS Tier I and Tier II levels;
- ◆ **To identify restorative processes, such as circles and conferences**, for use at all MTSS Tier levels to repair harm, foster accountability, transform school climate, and build a stronger school community;
- ◆ **How to design** the most effective restorative practice program for *your* class or school.
