

LEADING IN 2018: WORKING WITH CONFLICT AND DIFFERENCES

Tired of division and polarization? Confused about conflicts at work or home? This accessible and flexible workshop series gives you the opportunity to add more tools to your toolbox as a community leader, change agent, and citizen in a rapidly evolving world.

Co-presented with regional innovators and content specialists, KIPCOR offers a new adaptive series built from its 30+ year legacy as the primary conflict resource center in Kansas.
